NIPER Students Research Symposium-2022 (NSRS-2022)

The National Institute of Pharmaceutical Education and Research (NIPER) SAS Nagar has organized one day Symposium “NIPER Students Research Symposium-2022 (NSRS-2022)” entitled “Current Research in Pharmaceutical Sciences” on 27.07.2022.

Excellent talks were arranged from various NIPER research groups. The Director of the institute Prof. Dulal Panda delivered the first talk. Prof. Panda told that there should be lot of academic activities in a research Institute as the scope of collaboration increases with such activities. He further mentioned that next year we shall be inviting outside people also for this symposium.

The presentations were evaluated by the group of three external experts, Dr. Prabal Banerjee, Associate Professor, Department of Chemistry, IIT, Ropar, Dr. Ajay Prakash, Associate Professor, Dept. of Pharmacology, PGIMER, Chandigarh and Dr. Amita Sarwal, Asistant Prof. UIPS, PU, Chandigarh.

Prof J. K. Laha, NIPER delivered the keynote address. This symposium provided an opportunity to all researchers of the NIPER to discuss current progress in Pharmaceutical Sciences. The faculty, Scientific and technical staff, Ph.D. Scholars and masters students attended the symposium.

Mr. Bhupesh Vaidya received the first prize, Ms. Kousar Jahan and Ms. Upma Gulati shared the second prize and Mr. Arvind Sirvi and Mr. Vajja Krishna Rao were the joint winners of the third prize. The cash prize of Rs. 5,000/-, 2,000/- and 1,000/- were given to the first, second and third award winners respectively.
